Kind of another sequel to the "Mood" drabbles:)

„Jaaameeees!"

James unwillingly groaned. He was half asleep, his blankets pulled up to his eyes.

"Whaddya want, fucker?" he moaned. "Go away."

He turned to his left side.

"Jaaaameeees!" Jason's finger crawled along James' naked body, casually massaging James' half-hard cock.

James tried to swat off Jason's fingers. No chance. Jason's fingers were all over his body.

"You looked so sexy by re-stringing my basses," Jason whispered, biting James' ear. "I'm totally in the mood!

And you're, too."

He squeezed James' now hard cock.

"You're a fucking ANIMAL, Jase," James moaned.

"That's right. But I gonna ride you. Hard."

"Deal!"
